

While I'm Away

L.A. Guns

Three months on the road
Thinking of you
I've been drinking
You were [?] too
These hotel rooms
All of the same
Back after the show
I forget her name

I heard some things about you going 'round
I'm speeding back to you
What's going down

While, while
While while I'm away
While, while
While while I'm away
I got something to say

Well it's always the same
Same story told
You've been digging
You've been digging for gold
Gold digger, gold digger
And how I cannot stand
Your [?]
Somehow your smile
I ain't gonna miss
Uh uh

I heard some things about you going 'round
I'm speeding back to you
What's going down

While, while
While while I'm away
While, while
While while I'm away, yeah

While, while
While while I'm away
While, while
While while I'm away
I got something to say

While, while
While while I'm away, yeah
While, while
While while I'm away, yeah

While, while
While while I'm away, yeah
While, while
While while I'm away
Yeah what's going down, come on

What's going 'round, what's going 'round

What's going down, what's going down
What's going 'round, what's going 'round
What's going down, what's going down
While, while I'm away (what's going 'round, what's going 'round)
Yeah, oh (what's going down, what's going down)
While, while I'm away (what's going 'round, what's going 'round)
What's going down, what's going down
What's going down

While, while
While
While I'm away
Oh
