

All Year Around Falling in Love

L'Arc~en~Ciel

haru ga kitanara hana o ageyou
demo natsu ga kitanara kirei na hanabi o shiyou

fusaidakiri no tobira o akete

sukoshi fushigi na kurai hikareteku no sa
ai dake ja tarinai
kimi e All year around falling in love

aki ga kitanara yume o oikakeru
demo fuyu ga kitanara kimi ni yorisotteiyou

honou tomoshite kara o kowasou!

takaku hane o hiroge kaze o atsumete
doko e demo yukeru sa kimi to itanara

sukoshi fushigi na kurai hikareteku no sa
ai dake ja tarinai
kimi e All year around falling in love
Always falling in love

...it is a destiny!
Are you feeling the same?
Are you sharing the faith?
It was a fine a winter day
Remember when I met you
All year around falling in love

sayonara juuryoku... boku wa jiyuu da!

takaku hane o hiroge kaze o atsumete
doko e demo yukeru sa kimi to itanara

sukoshi fushigi na kurai hikareteku no sa
ai dake ja tarinai
kimi e All year around falling in love
Always falling in love
It was a fine winter day
All year around falling in love
