L'Arc~en~Ciel

Kimi e to yume wa ima

Tooi chiheisen e mukai yasashii ude kara
Zutto kaketekitandane
Saisho wa chiisai hohaba de

Hitotsu hitotsu ho wo susume
Furimukeba nagai ashiato
Nigandetemo massugu
You have come a long way
Everything is for today

Kimi he to yume wa ima - Me no mae de kirameiteru
Hanabira no maifuru you na yuki ga shukufuku shita

Hanabanashii kisettsu mo yokome ni sugisari
Tameiki shiroku tsuite
Mayottari mo shita kedo

Shinto haritsumeta fuukei
Kodou wa takanari wo oboe
Afureru omoi wa kono shunkan wo koeru
Everything is for today

Sora e to kanenone ga toki wo tsuge narihibikuyo
Tsubasa hiroge tobidatteyuku kimi ni shukufuku are

Omoi wo nose kimi wa ima daichi wo keru
Kokoro hitsotu yorokobi mo kanashimi mo zembu tsumekonde

Kimi he to yume wa ima - Me no mae de kirameiteru
Hanabira no maifuru you na yuki ga shukufuku shita
