iki wo shinaide me wo tojite  
tada nagare ni yudanemashou

aoi tsuki no inryoku ni  
yura yura yure shizunde yuku

sotto namiutsu you ni  
sore wa Aa...yurikago no you ni

I float in cosmos for the place to return  
Living or dying there is no meaning

kakomo mirai mo nani mo nai  
dare mo inaishi hitori de mo nai

sora ga mune ni tokete

I float in cosmos for the place to return  
Living or dying there is no meaning

I float in cosmos for the place to return  
Sacred love for you there is no meaning
