

Inner Core

L'Arc~en~Ciel

The soul says "welcome to the inner core"
The soul says "welcome to the inner core of myself"

"kimi niwa hajimari mo owari mo nai
shi wa seide ari sei wa shida!
mirai mo kako mo imi o motanai
kimi ga mitakoto mo nai ai o shinjiru you ni
ishiki wa sonzai suru eien ni..."

yugamerarete fuyuu suru gensei okasu sono koe ni
kakusenu tomadoi o warau kare wa watashi na no ka
Where is my body where is it?

shinjiteta sekai no kara ga hagasareru
senoku no ashiato ga me no mae ni hiro garu

The real truth I realize sore wa kotoba o koeta
I realize 'nani ka' o imi suru
The real truth I realize sore wa ryouiki o koeta
I realize 'jiko' o imi suru
Where is my body where is it?

karui memai no ato tadayou karada ni
kioku no koozui ga chokusetsu nagarekomu

The real truth I realize sore wa kotoba o koeta
I realize 'nani ka' o imi suru
The real truth I realize sore wa ryouiki o koeta
I realize 'jiko' o imi suru
My body is unnecessary!

My soul says...

"kimi niwa hajimari mo owari mo nai
shi wa seide ari sei wa shida!
(mirai mo kako mo imi o motanai)
kimi ga mitakoto mo nai ai o shinjiru you ni
ishiki wa sonzai suru eien ni..."
