

## Lover Boy

L'Arc~en~Ciel

Atsuku me wo sumashite kimi to ajiwaiiaou  
Dream on till night, be sailin' on your life  
tonight, want your blood

Fukaku kande ima toraete iru yo  
Dakiai aou I'm a lover boy

Kodoku wa mayakashi nagasareru mama ni  
Wonder tonight, be getting your jaded heart  
tonight, shaking the blood

Sorou kokyuu kara ima sora made yuku yo  
Kowasu hodo ni cause I'm a lover boy  
Yasashiku sasoidashite kimi no oku e yukou  
Subete miseyou I'm a lover boy

Don't be shy, show your love! show your love!  
Don't be ignorant, show your colors! show your colors!  
Don't let me know your lie, your lie!  
Stay tonight till the night, next night!

tonight, shaking!  
tonight, looking for the blood!

Fukaku kande ima toraete iru yo  
Dakiai aou cause I'm a lover boy  
Afuredashiteku boku wo nokosazu nomihoshite  
Tokete iyou I'm a lover boy

Sorou kokyuu kara ima sora made yuku yo  
Kowasu hodo ni cause I'm a lover boy  
Yasashiku sasoidashite kimi no oku e yukou  
Subete ageyou I'm a lover boy  
I'm a Lover!
