

# Miscommunikaty

L Devine

People my age  
They don't know how to say things  
It's not my taste  
Habits of pretending  
Things are okay  
Call me Miscommunikaty  
I made a fake name  
Just to overshare and scream into space  
My confidence is dying  
Face to face

'Cause I was fucking ashamed  
Since 2008 I've felt wrong  
And I still feel out of place  
It never faded away, it got stronger

So can you understand  
Why it's hard for me  
To tell what I need  
And how I feel about you?

About you  
About you

About you  
About you  
About you  
About you

About you
