

# Peer Pressure

L Devine

"Veronica, you look like hell."  
"Yeah? I just got back."  
"Veronica, what are you doing?"  
"Heather, my love-"

Now that I'm at 20 years, hell is where I'm living  
I don't know how to cope with all the existential thinking  
I never used to give a shit but now it's all I'm giving  
Now it's all I'm giving  
The party's in an hour but I'm crying in a towel  
'Cause this fucking picture doesn't even look like me now  
Took a couple uppers  
That's what they do when they feel down  
"Heather, my love-"

Peer pressure  
Nothin' gonna save me  
Run run run run run run run  
Peer pressure  
Got me going crazy  
Run run run run run run run  
Peer pressure  
How you gonna take me  
Run run run run run run run  
Peer pressure  
I'm trying but it's hard to explain  
Peer pressure let me swallow the pain

I got so many friends and they all make me feel alone  
They always say they love me but I know they really don't  
I just suck it up and do whatever they want  
Tell me what I want  
I lost all my money so that I could look like you  
Where's my personality? I guess I lost that too  
It doesn't really matter, that's what we're supposed to do  
When I'm under the influence

Peer pressure  
Nothin' gonna save me  
Run run run run run run run  
Peer pressure  
Got me going crazy  
Run run run run run run run  
Peer pressure  
How you gonna take me  
Run run run run run run run  
Peer pressure  
I'm trying but it's hard to explain  
Peer pressure let me swallow the pain

I'm so numb  
I'm under the influence  
So much fun when I'm under the influence  
(Peer pressure)  
I'm so numb  
I'm under the influence  
So much fun when I'm under the influence

Now that I'm at 20 years, hell is where I'm living  
I don't know how to cope with all the existential thinking  
Never used to give a shit but now it's all I'm giving  
But now it's all I'm-

Peer pressure  
Nothin' gonna save me  
Run run run run run run run  
Peer pressure  
Got me going crazy  
Run run run run run run run  
Peer pressure  
How you gonna take me  
Run run run run run run run  
Peer pressure  
Got me going crazy  
Run run run run run run run  
Peer pressure

I'm so numb  
I'm under the influence  
(Peer pressure)  
So much fun when I'm under the influence  
(Peer pressure)  
I'm so numb  
I'm under the influence  
(Peer pressure)  
So much fun when I'm under the influence
