L Devine

I'm down here and you're up there
But it's my fault, I put you there
I lift you up and now I'm weak
I keep come back like [?]
I'm not like you, I'm not [?]
I can't keep up, but I can't leave
It's way too much, you're back for me
But I can't stop

I know it's gonna hurt me (Know it's gonna hurt me), but
I can't help try (Can't help try)
It sucks [?] worship ([?]), I
I lost my mind (Lost my mind)
I know you're just a person (Know you're just a person), but
I hold you so high (Hold you so high)
I don't think I deserve you, and
I don't know why
I don't know why

I don't know why
I don't know why

It's hard to get
To get this close
'Cause I can't tell how far I'll go
I'm not like you, I'm not [?]
I can't keep up, but I can't leave

I know it's gonna hurt me (Know it's gonna hurt me), but
I can't help try (Can't help try)
It sucks [?] worship ([?]), I
I lost my mind (Lost my mind)
I know you're just a person (Know you're just a person), but
I hold you so high (Hold you so high)
I don't think I deserve you, and
I don't know why
I don't know why

I don't know why
I don't know why
