

Fighting The Crave

L7

Sketchy Betty, you got good shit
Gotta have it, I want another piece of it
Yes my man, sock it to me
Cuz god damn, I'm on a buying spree

Fighting the crave
And I just know I'll cave
Feeling the wave
Creeping down over me
Fighting the crave
Once more I know I'll cave
Feeling the wave
Swelling inside of me

Twenty minutes circling around your block
Forty minutes, I passed by seven lady cops
Mr. Ma'am, you are indispensable
But god damn, you're mighty mighty reprehensible

Fighting the crave
And I just know I'll cave
Feeling the wave
Swelling inside of me
Fighting the crave
Once more I know I'll cave
Feeling the wave
Creeping down over me

Fighting the crave
Fighting the crave
Fighting the crave

Fighting the crave
Fighting the crave
Fighting the crave
