

This is not your proto planet
Scratch those proto plans
Assembly lines churn out cookie cutter
There's always been something better
There's always been something better

High concept, remarkably strong
A marvel of engineering
Believe believe the hype
With the proto proto proto type

Don't need your Venn diagram
We've always known how to slam
The original has so much cred
Innovative bleeding edge
Innovative bleeding edge

High concept, remarkably strong
A marvel of engineering
Believe believe the hype
With the proto proto proto type

High concept, remarkably strong
A marvel of engineering
Believe believe the hype
With the proto proto proto type

Believe believe the hype
With the proto proto proto type
Believe believe
Believe
