

## Witchy Burn

L7

You get the breeze  
And I'm catchin' the shade  
[?] between  
Never cease to amaze  
And I think you're a fraud  
And you know I'm a fake  
But at the end of the day  
We all burn at the stake, yeah

Burn at the stake (ah, ah, ah, ah)  
Burn at the stake (ah, ah, ah, ah)  
Make no mistake ([?])  
Burn at the stake, alright

Ah-ooh  
Ah-ooh  
Ah-ooh

And infecting my eggs  
No sentimentality  
But we're keepin' [?]  
Yeah, you think I'm a fraud  
And I know you're fake  
But when it's all said and done  
We'll kick and scream to the stake, yeah

Burn at the stake (ah, ah, ah, ah)  
Burn at the stake (ah, ah, ah, ah)  
Make no mistake ([?])  
Burn at the stake, that's right  
Alright  
Alright  
Alright  
Alright  
Alright
