

## Worn Out

L7

What's rustling in the leaves outside?  
What's going on in peoples minds?  
Why are we so worn and weary?  
Worn out, worn out

It's all gonna, it's all gonna change  
Oh, oh, oh, oh  
Nothing ever, ever, ever stays the same

Illuminated, afraid to go outside  
Is it too late, too late to turn the tide?  
Why are we so dull and dreary?  
Worn out, worn out

It's all gonna, it's all gonna change  
Oh, oh, oh, oh  
Nothing ever, ever, ever stays the same  
It's all gonna, it's all gonna change  
Oh, oh, oh, oh  
Nothing ever, ever, ever stays the same

It's all gonna, it's all gonna change  
Oh, oh, oh, oh  
Nothing ever, ever, ever stays the same  
It's all gonna, it's all gonna change  
Oh, oh, oh, oh  
Nothing ever, ever, ever stays the same

It's gotta change, gotta change  
Worn out, worn out  
It's gotta change, change, change, change
