

Aloha Baby

La Femme

Allez c'est parti
J'mets les voiles j'passe le cap sur Hawai
Sur la playa
Toi et moi et les vagues il y a

Aloha baby

Aloha baby
A Paris ou à Tahiti
Au tiki avec une jungle de fruits
Tu repenses à Hawaiii

Ooh ooh ooh...

Hey, I thought you would have come to Hawai
Where are you
Are you still at the Tiki lounge?
No, I'm far away
It's too late for goodbye
Watching the pipeline
I can feel the spirit of the duke
Reverb unit
Surf guitar
Cowabunga baby

Ooh ooh ooh...
Surf sup
Ooh ooh ooh...

Aloha baby
Aloha baby
Aloha baby

Hawai
The north shore
Waikiki
Waimea bay
This swell is good
