

Ciao Paris!

La Femme

Bye-bye Paris for today, and tomorrow we'll see
Bye-bye Paris sur cette mélodie, ciao Paris, au revoir ciel gris
It's been such a long time, I wanna get alone
Now I get along or I'm gonna get mad
Tripping around, jumping on a train at night
I wanna see the light, I don't wanna get sad

Bye-bye Paris, goodbye PCC, goodbye Pigalle, goodbye Bastille
I'm gonna give a kiss, one for my mommy, one for my dad and one for my lady
And now goodbye Paris, goodbye, merci, and tomorrow we'll see
Bye-bye Paris, hello Lipari, goodbye sadness sur cette mélodie

Au revoir Paris, au revoir Paris
Au revoir Paris, au revoir Paris
Au revoir merci, moi, je resterai ici
Thank you, goodbye
Au revoir Paris, au revoir Paris
Au revoir Paris, au revoir Paris
Au revoir Paris sur cette mélodie

Bye-bye Paris for today, and tomorrow we'll see
Oh, yesterday my life was so messy, oh, so crazy everyday
And every night busy, busy doing nothing
Now I'm working hard, working hard on my tan
If life is a beach, I just wanna go to swim
And stay with my friends, the fish and the sea
Bye-bye Paris and your mystery, goodbye Saint-Paul, goodbye SSD
I'm gonna miss you, tous mes amis, and you're gonna miss me, mais c'est la vie
And now goodbye Paris for today, and tomorrow it's gonna be OK
Ciao Paris, hello Napoli, goodbye sadness sur cette mélodie

Au revoir Paris, au revoir Paris
Au revoir Paris, au revoir Paris
Au revoir merci, moi, je resterai ici, wouh
Au revoir Paris, au revoir Paris
Au revoir Paris, au revoir Paris
Au revoir Paris sur cette mélodie

Bye-bye Paris for today, and tomorrow we'll see
Goodbye my friends, goodbye everybody
Goodbye hell, goodbye rue Saint-Denis
Now please don't call me, my phone just died
Oh, please don't worry, I feel so fine
I say bye-bye Paris, hello Hawaii, goodbye sadness sur cette mélodie, oh

Oh, goodbye sadness sur cette mélodie
Thank you, goodbye
Ouais, goodbye sadness sur cette mélodie, ouh
Bye-bye
Bye-bye
