

I'll Be True

La Luz

I don't know what I'm gonna do
I'm gonna do no one knows the
Truth in what I could do what I
Can do but I can't stay just one
Way tomorrow why today no
One knows truth of what I could do

And I'll be true to you just as long as
You want me to
I could be true to you just as long as
You want me to
