

# Colourless Colour

La Roux

You say it's coming  
But I can't see it at all  
You know me well, but I don't know you at all  
No, I don't know you at all  
It's always just on the horizon  
So my hopes rise and fall  
You know me well, but I don't know you at all  
No, I don't know you at all

Early '90s décor  
It was the day for  
We wanted to play  
But we had nothing left to play for  
Colourless color  
Once in fashion, soon to be scene  
Been dreaming of blue skies  
New horizon and sides from my eyes  
The discovery of the unknown  
Is something to tell the folks back home  
I want to get away  
To feel the sun on my skin  
To feel it really  
Sinking in

Early '90s décor  
It was the day for  
We wanted to play  
But we had nothing left to play for  
Colourless color  
Once in fashion, soon to be scene

It was the day for  
We wanted to play  
But we had nothing left to play for  
Colourless color  
Once in fashion, soon to be rediscovered
