In for the Kill

We can fight our desires, oo-oo But when we start making fires We get ever so hot, oo-oo Whether we like it or not

They say we can love who we trust, oo-oo But what is love without lust. Two hearts with accurate devotion, oo-oo What are feelings without emotions?

I'm going in for the kill I'm doing it for a thrill Oh, I'm hoping you'll understand And not let go of my hand I had my hopes out on the line, oo-oo Well they'll be ready for you in time. If you leave them out too long, oo-oo They'll be withered by the sun.

Full stops and exclamation marks, oo-oo My heart stopped moving 'fore I start. How far can you send emotions? oo-oo Can this bridge cross the ocean?

Let's go to war to make peace Let's be cold to create heat I hope in darkness we can see And you're not blinded by the light from me

Woo-ooo-ooo-ooo-ooo-ooo-ooo-ooo

[Chorus]
