

# Sexotheque

La Roux

He wants to know  
What it feels like  
To mess around, mess around  
She wants to know  
What it feels like  
To settle down, settle down

He's got the money but  
Oh it's not enough  
He wants to pounce  
He wants to pounce

Never know if he's giving you up  
Are you just not good enough

Ooh ooh ooh ooh ooo - ooh  
Ooh ooh ooh

She wants to know why he's not home  
Oh I bet money money money I bet  
He's at the sexotheque  
He never answers the phone  
Oh I bet money money money I bet  
He's at the sexotheque

He wants to go  
Where the red lights  
Shine so bright, shine so bright  
He wants to know  
Why he feels so cold inside, cold inside

He turns and looks around  
He doesnt hear a sound  
No ones around, no ones around

Never know if he's giving you up  
Are you just not good enough

Ooh ooh ooh ooh ooo - ooh  
Ooh ooh ooh ooh

She wants to know why he's not home  
Oh I bet money money money I bet  
He's at the sexotheque  
He never answers the phone  
Oh I bet money money money I bet  
He's at the sexotheque

She wants to know why he's not home  
Oh I bet money money money I bet  
He's at the sexotheque  
He never answers the phone  
Oh I bet money money money I bet  
He's at the sexotheque

She wants to know why he's not home  
Oh I bet money money money I bet

He's at the sexotheque  
He never answers the phone  
Oh I bet money money money I bet  
He's at the sexotheque

She wants to know why he's not home  
Oh I bet money money money I bet  
He's at the sexotheque

Ooh ooh ooh ooh ooo - ooh  
Ooh ooh ooh ooh

He's at the Sexotheque
