

Somewhere

La Toya Jackson

Once upon a time there were two people so in love
That nothing in the world could break the spell
Then they woke up from the dream and we went our separate ways
But through the years I
I spend my whole life dreaming of you

But I believe in the love we have was meant to be
And I pray that you get the same feeling when you think of me
And I know that
Somewhere we
Somehow we
We had a love of a lifetime
How could we let it end?

Somewhere we
Somehow, someway

And I know that you

Maybe I
But I never felt the way I did with you
When I close my eyes it
And were laughing in the rain together
And dancing on our cloud for ever more
You say you found a special love just in time
So baby if I have to wait forever I don

Somehow we
We had a love of a lifetime
How could we let it end?

Somewhere we
Somehow, someway

And I know that you
Somewhere
