

## Italy Vs Helsinki

Laakso

Oh, let's go to Milano  
It's fashion week, and so am I  
Weak, in need of love  
Any love, from anyone

Oh no, come with me to Helsinki  
Where the streets are wide, and so am I  
Wide open for love  
Any love, from anyone

Aaah, aaah

Come with me, come with me to Italy  
Come with me, come with me to Helsinki  
Come with me, come with me to Italy  
Come with me, come with me to Helsinki

Oh, let's talk about everything, all the night  
No, not here  
We'll do it in Italy, under the olive trees  
Just you and me

Oh no, let's go to Helsinki  
To see and to find out  
If you and I are meant to be  
If it's meant to be you and me

Aaah, aaah

Come with me, come with me to Italy  
Come with me, come with me to Helsinki  
Come with me, come with me to Italy  
Come with me, come with me to Helsinki

Oh, come with me, come with me to Italy  
Come with me, come with me to Helsinki  
Oh, come with me, come with me to Italy  
Come with me to Helsinki

Oh, come with me, come with me to Italy  
Come with me, come with me to Helsinki  
Oh, come with me, come with me to Italy  
Come with me to Helsinki

Come with me, come with me to Italy  
Come with me, come with me to Helsinki  
Oh, come with me, come with me to Italy  
Oh, please, come with me
