

# Ain't No Use

LAB

Hey yeah, yeah, yeah

Girl there ain't no use  
When the world that you love has gone  
No there ain't no use  
When the heart of a man has faded

See I try to make a difference  
But the heads of the high keep turning away  
There ain't no use  
When the world that you love has gone  
Ooh, gotta make a change

Ain't, ain't, ain't no use  
Ain't, ain't, ain't no use

See the beauty of it all is in the sky  
Let me take your hand and we'll fly higher  
I sit up on my throne on the higher ground  
Watching from above, no fools around  
It's alright, it's alright, it's alright  
Yeah, it's alright  
Ooh, gotta make a change

Hey, see there ain't no use  
When the world that you love has gone away  
There ain't no use  
When the heart of a man has faded

See I try to make a difference  
But the heads of the high keep turning away  
There ain't no use  
When the world that you love has gone away

See the beauty of it all is in the sky  
Let me take your hand and we'll fly higher  
I sit up on my throne on the higher ground  
Watching from above, no fools around  
It's alright, it's alright, it's alright  
Yeah, it's alright  
Ooh, gotta make a change

Ain't, ain't, ain't no use  
Ain't, ain't, ain't no use  
Ain't, ain't, ain't no use  
Ain't, ain't, ain't no use

Ain't, ain't, ain't no use  
(Gotta make a change, gotta make a change)  
(Gotta make a change, I gotta make a change, yeah)  
Ain't, ain't, ain't no use  
(Gotta make a change, gotta make a change)  
(Gotta make a change, I gotta make a change, yeah)
