

Beat The Boys

LAB

I let down my hair
It's my day
I wear a shirt like skirt
Just shorter

I sit on a bench
They line up the score
They all wish to play
And don't I have the ball!

Girls just want! to beat the boys
Girls just wa-a-a-ant!

I tie up my hair
It's d-day
I wear a shirt like skirt;
Just shorter

I sit on the bench
Watching players score
They won't let me play
Kick their precious ball

Girls just want to beat the boys
...girls just wa-a-a-ant

Girls just want! to beat the boys
Girls just wa-a-a-ant!
