

Mr Reggae

LAB

Oh na na na na na na na, it's okay, woah, hey
I hear music, I hear music
Oh oh oh
I hear music, I hear music
Oh oh oh

Like to tell someone, how to be as one
They won't come out
They won't come out to sing my song
Mr Reggae, won't you help me now
To sing a song about today

I hear music (run with it)
I hear music (going with it)
Oh oh oh (sing with me)
I hear music (run with it)
I hear music (I can't go)
Oh oh oh (we're gonna run with it one more time)

Just like birds of a feather
We got to sing together
And spread our love along this lonely land
We've got to realise
We've got to stop the lies
We've got to love this land and give it a helping hand
We've got to love this land and give it a helping hand

I hear music (run with it)
I hear music (going with it)
Oh oh oh
I hear music (run with it)
I hear music (gone with it)
Oh oh oh (we're gonna run with it, more time)
Oh oh oh (we're gonna run with it one more time)
Oh oh oh
