LAB

I'm a proud man

Who took my land, from me  
Who took my land, from me  
I wanna know what you believe, hey, hey  
Who shook my hand, who agreed?  
Who shook my hand, who agreed?  
I don't understand, what that means

See now, heavy when I'm calling  
Help me, I can see  
I saw you calling out my name (calling out my name)  
The devil is a calling, I need you in my life  
He's taking everything away  
My money and my wife

Who took my land, from me  
Who took my land now, from me  
Oh, I'm a proud man (I'm a proud man)  
And I'm begging on my knees, yeah

I'm a proud man

I'm a proud man

I'm a proud man

I'm a proud man

Give it up!
