

You're two feet far from home  
You got nowhere to go  
You built this all alone  
The only thing you will know  
You are the one  
The kingdom of the greed  
From a phone  
Is all everybody sees

The king is on the throne  
Money and all the gold, yeah  
Everything's on the line, yeah  
Your heart you will define, say  
Now you got it all  
You live that fantasy  
Black and gold  
One is your disease, yeah

Umulash, I wanna get cash  
Umulash, I wanna get cash (Oh get down)  
Umulash, I wanna get cash  
Umulash, I wanna get cash (Oh wanna get cash)  
Umulash, I wanna get cash  
Umulash, I wanna get cash  
Umulash, I wanna get cash  
Umulash, I wanna get cash (Hey I wanna get cash, yeah)

The great and all alone  
Money and all the gold  
Save me, I'm alone, oh, yeah  
'Cause I've got nothing to show  
Now you're on your knees  
And you got no one to hold  
You're begging please  
For the love of family, hey, yeah

Umulash, I wanna get cash  
Umulash, I wanna get cash  
Umulash, I wanna get cash  
Umulash, I wanna get cash  
Umulash, I wanna get cash  
Umulash, I wanna get cash  
Umulash, I wanna get cash  
Umulash, I wanna get cash  
Umulash, I wanna get cash  
Umulash, I wanna get cash
