

## Yes I Do

LAB

Do you know what's going on?  
Take me by the hand singing "Yes I Do"  
Hear me out, I'll sing a song  
Can you be the one singing "Yes I Do"

Oh I need you next to me  
Holding onto love, my dreams come true  
Can you feel my energy?  
Wear me like a glove cause I need you  
I tell ya baby, don't you know  
There's a story no one knows  
I got you close, baby, keep you warm  
It's the calm before the storm

Can you tell me everything?  
Just say, baby, "Yes I Do"  
Can you wear that diamond ring?  
Just say, baby, "Yes I Do"

Now I know I'm on your mind  
Every time in love with open arms  
Can I tell you one more time?  
Holding onto you, my dream come true  
I tell ya baby, don't you know  
I'm the storm before the snow  
You drive me crazy & I want more  
When you hold me on the floor

Can you tell me everything?  
Just say, baby, "Yes I Do"  
Can you wear that diamond ring?  
Just say, baby, "Yes I Do"

Can you tell me everything?  
Oh, just say, baby, "Yes I Do"  
Can you wear that diamond ring, oh  
Just say, baby, "Yes I Do"

Break it down now, yeah  
Can you tell me, baby  
Just say, baby, "Yes I Do"  
Can you wear that diamond ring, yeah  
It's love, baby, "Yes I Do"  
Won't you take me by the hand, yeah  
It's love, baby, "Yes I Do"  
Oooo, "Yes I Do"  
"Yes I Do"  
"Yes I Do"  
"Yes I Do"
