

# Come On Michael

Labi Siffre

Me and my friends have a friend called Michael, me and my friends

Well, me and my friends have a message for you Michael, me and my friends

Well, come on Michael, push a little harder  
Try a little more, get your feet on the floor  
Come on Michael, you can make it if you want to  
It's just not the same without you

Well, me and my friends have a friend called Michael, me and my friends

Well me and my friends want to tell you Michael, me and my friends

Now come on Michael, push a little harder  
Try a little more, get your feet on the floor  
Come on Michael, you can make it if you want to  
It's just not the same without you

Well the sun shines with a frown on his face  
And the sighs and sighs, all over the place  
So come on Michael, do what you can  
We're talkin' to you Michael, do you understand  
Do you understand  
Do you understand (Understand)  
Do you understand (Understand)

Come on Michael, push a little harder  
Try a little more, get your feet on the floor  
Come on Michael, you can make it if you want to  
It's just not the same without you  
It's just not the same without you  
It's just not the same without you
