

Gimme Some More

Labi Siffre

Oh it's a beautiful day
Oh I never felt this way before
Gimme some more

Oh well I'm feeling so fine
Oh you know I'll loose my mind for sure
Gimme some more

Well I don't know what you got
But I want it
You make me feel so hot
Sock it to me

Oh the things you do
Oh you know it's you I do adore
Gimme some more

Oh well it's easy to see
Oh your what I wanted to be here for
Gimme some more

Well I don't know what you got
But I want it
You make me feel so hot
Sock it to me

Oh it's a beautiful day
Oh I never felt this way before
Gimme some more

Oh well I'm feeling so fine
Oh you know I'll loose my mind for sure
Gimme some more
