

Love Oh Love Oh Love

Labi Siffre

One, two
Three, four

Last night I had another dream
And when I woke up I was screaming
But you were there so that's okay
You make my feelings fade away
And you said

Baby, go to sleep now
Baby, don't you weep now
Even in your dreams I love you
Baby, go to sleep now
Baby, don't you weep now
Love oh love oh love, I love you

You know how easy I get sad
Sometimes it hurts me, oh so badly
And I don't know what I'd do
If you weren't here just being you
And you said

Baby, go to sleep now
Baby, don't you weep now
Even in your dreams I love you
Baby, go to sleep now
Baby, don't you weep now
Love oh love oh love, I love you

Ha da da da, da da da da da
Ha da da da, da da da da da da
Ha da da da, da da da da da
Ha da da da, da da da da da da
Da da da
Da da da da da da da da da
Da da da da da, da da da da da da
Da da da da da, da da da da
Da da da da da, da da da da
Dada da da da da, da da da da

You know I hate to be alone
But in a crowd I'm so lonely
Sometimes a bottle is my friend
But I need you more when the bottle ends
And you say

Baby, go to sleep now
Baby, don't you weep now
Even in your dreams I love you
Baby, go to sleep now
Baby, don't you weep now
Love oh love oh love, I love you
