My heart flutters even more today for some reason
Do you know how I feel?
The cool wind feels so sweet
The weather is perfect for going to see you
It's right now

The soft air that wraps around me
When it tickles me
Things I didn't even think about will happen
Like the blue sky, like the white clouds
Will you always be a bright light inside me?

Colored with time
Even if purple darkness comes suddenly
I have you so I'll be alright
When I look at you, my heart pounds, what should I do?

Your eyes that look at me are like sugar sugar, my heart flutters
A spell to bring us together, aro aro
Now let's hold hands and go into a world if imagination
It's right now

My soft smile that warmly greets you
If it makes your heart flutter
Things you didn't even think about will happen
Like the blue sky, like the white clouds
Will you always be a bright light inside me?

Colored with time
Even if purple darkness comes suddenly
I have you so I'll be alright
Even if I want to quit sometimes

Every day is the same
But it'll all pass
You'll overcome, believe in me

Like the blue sky, like the white clouds
Will you always be a bright light inside me?

Colored with time
Even if purple darkness comes suddenly
I have you so I'll be alright

Oh be my light
Thank you so much
In eternity, we'll protect each other
We're together so we're happy
