

Haru no Kan Yō ruru It makes me alone
Tōrisugiru kodomo no koe mo saki o isogu kutsuoto mo nijimi
Shiranakatta ima mo nokoru
Kimi to mita the last spring breeze

"They say it will be warm today."
(Spring has come!)
Atarashī kōto haotte
"I hope you have a great day!"
(Thanks, you too.)
Akarui koe ni tewofuru

Oshi akerudoor dekoboko noroad

Machi wa min'na-iro o matotte hazumu kisetu o utau
