

## Fez's Interlude

Labrinth

I'm extremely confused  
You're confused? I'm fucking confused, bro

Why you actin' like this?  
Why you actin' like that?  
Why you actin' like this?  
Why you actin' like that?

Why you actin' like a bitch?  
I don't understand that  
Why you had to go and speak?  
Why you actin' like this?

Why you had to go and speak?  
Why you actin' like this?
