

# House on the Hill

Labrinth

Take me to where the sun don't shine  
I'm gonna set your night on fire  
I'm gonna bring your world alive  
Oh, yeah, oh, yeah, mm, yeah  
Take me to where the sun don't shine  
I'm gonna set your night on fire  
I'm gonna bring your world alive  
Oh, yeah, oh, yeah, mm, yeah

Take me to where the sun don't shine  
I'm gonna set your night on fire  
I'm gonna bring your world alive  
Oh, yeah, oh, yeah, oh, yeah  
Take me to where the sun don't shine  
I'm gonna set your night on fire  
I'm gonna bring your world alive  
Oh, yeah, oh, yeah, oh, yeah
