

## Power Couple

Labrinth

Fuck anybody else  
They don't know what we've been through  
Fuck anybody else  
They don't know what the world did to you  
Fuck what they say  
They don't really got nothin' good to say anyway (Anytime, anyplace)  
Fuck everyone one of them  
They ain't none of our friends  
All we need is this, two of us and a [?]

No, they don't want beef, they don't want [?]  
They don't want knuckles, no  
They don't wanna bleed, but I come for blood  
'Cause I fuckin' love you, yeah

Yeah, I'm crazy, crazy enough to say I'm  
Crazy enough to swear I'll die for you, yeah  
They don't know shit, don't know who they're fuckin' with  
It's the power couple

It's the power couple

Now let me come down  
Compose myself on the next [?], yeah  
When I [?], yeah, I love so hard, girl, it's excessive  
Fuck it

Yeah, I'm crazy, crazy enough to say I'm  
Crazy enough to shed my blood for you  
My ride-or-die chick  
Don't know who they're fuckin' with, it's the power couple

It's the power couple  
It's the power couple
