

## Skeletons (Lexi Needed A Break)

Labrinth

I've got, you've got  
Skeletons in the closet, my dear  
I've got, you've got  
Skeletons in the closet, my dear  
And now here I am, here I am  
Naked in all my glory  
They've got, we've got  
Skeletons in the closet, who cares?

I've got, you've got  
Skeletons in the closet, my dear  
I've got, you've got  
Skeletons in the closet, my dear  
And now here I am, here I am  
Naked in all my glory  
That's why I pop (Up) when they come  
And hang 'em outside the closet, my dear (Woo)

(Tell 'em, tell 'em, tell 'em, tell 'em) (Woo)  
Hang 'em outside the closet, my dear (Tell 'em, tell 'em, tell  
'em, tell 'em) (Woo)  
Skeletons in the closet my dear (Tell 'em, tell 'em, tell 'em,  
tell 'em) (Woo)  
Hang 'em outside the closet, my dear (Doo, doo-doo-  
doo, doo, doo, doo-doo-doo)

Doo, doo-doo-doo, doo, doo, doo-doo-doo  
I'm hangin' 'em, doo, doo, doo-doo-doo (Woo)  
I'm hangin' 'em, I'm, doo, doo, doo-doo-doo  
Doo, doo-doo-doo, doo, doo, doo-doo-doo (Woo)  
Doo, doo-doo-doo, doo, doo, doo-doo-doo  
I'm hangin' 'em, doo, doo, doo-doo-doo (Woo)  
I'm hangin' 'em, doo, doo, doo-doo-doo  
Doo, doo-doo-doo, doo, doo, doo-doo-doo  
(Doo-doo, doo-doo, doo-doo-doo  
Doo-doo, doo-doo, doo-doo-doo  
Doo-doo, doo-doo, doo-doo-doo  
Doo-doo, doo-doo, doo-doo-doo)
