

# Still Don't Know My Name

Labrinth

I took your heart  
I did things to you only lovers would do in the dark  
It made you a God  
Priests, popes, and preachers would tell me I did it wrong  
But, hey  
You made a negro flip  
What do I say  
To make me exist? Oh  
stranger...

Still don't know my name  
You still don't know my name  
And I would die your slave, baby, right now  
But you still don't know my name, yeah

Wish you, wish you'd come over, mmh  
Miss you, kiss you in make-believe  
I'm dreamin' of all of the possibilities  
I'm kissing all over your body, my Nefertiti  
And every time I think the planets aligning  
You're still so close, but yet so far

Still don't know my name  
You still don't know my name  
And I would die your slave, baby, right now  
But you still don't know my name, yeah
