

The Pick Me Up

Labrinth

Oh, no, no, no, no, no, no
Oh, oh, no, no, no, no, no, yeah, no
Oh, no, no, no, no, no, no
No, oh, no, no, [?]

Get your sorry fucking ass up out of here
You should be ashamed of yourself
For how low you stooped down in there
This hellhole looks like dump
This mildew smell like death
And I'm giving up
By the gods, I'll try again
So pick me up

Oh, oh, no, oh, no, uh, oh
Oh, oh, oh, no, oh, no, oh, no
Yeah, oh, oh, no, oh, no, mm, yeah
Yeah, yeah, yeah, oh no, baby, like

Woah, I'm lying on these sheets
Promising I'll leave, but
From the dark, yeah
Woah, this isn't good for me
Sure looks like it is, oh
And oh, oh
