Y a des gros bâtards qui m'aiment pas
Que j'verrais bien dead
J'te nique ta mère et j'roule un béd'
Cocaine, gros Sedan, un peu de champagne
T'es pas là quand ça chauffe, quand ça bang bang
Allez-y, oui j'ai réussi (Baouh)
On peut commencer à se rafaler au Uzi (Tah, tah)
J'suis pété dans le 850i (Tah, tah)
J'vous laisse sur Paname, à vous envoyer des piques
Waouh, waouh, j'ai mes p'tits d'Fresnes
J't'envoie deux, ton crâne voit l'appuie-tête
On te baise rebeu, y a personne qui t'aide
En face du be-be-be-be bah gars tu bégayes
Une icône, d'l'alcool et tu connais como
Seul, j'ai pas besoin qu'tu follow
À New York on est pas des rigolos
C'est des millions que l'on gère du bigo, coño

Watch me do my money dance, money dance
Get the money, do the running man, running man
Tell a fuck nigga "Sink or swim, sink or swim"
Fuck nigga, we gon' spin your bid, and spin again (And again)
Watch me do my money dance, money dance
Get the money, do the running man, running man
Tell a fuck nigga "Sink or swim, sink or swim"
Fuck nigga, we gon' spin your bid, and spin again (And again)

Told you we got plenty choppers
Big choppers, blakka blakka
We gon' headshot you
We gon' hit you in the noggin
Leave you flat, bitch
Flat on the pavement
You a stain bitch
Hit you in your brain bitch
Run up in your crib and kick in your door
I empty out the clip and reload
Tie your body up and leave you on the road
Fuck niggas better stick to their code
I told you niggas that I'm always with the action
If I'm runnin' with that I'mma clap shit
Fuck that semi shit, my shit automatic
And you know that I'mma use that in traffic

Watch me do my money dance, money dance
Get the money, do the running man, running man
Tell a fuck nigga "Sink or swim, sink or swim"
Fuck nigga, we gon' spin your bid, and spin again (And again)
Watch me do my money dance, money dance
Get the money, do the running man, running man
Tell a fuck nigga "Sink or swim, sink or swim"
Fuck nigga, we gon' spin your bid, and spin again (And again)
