Distant Sun

Tease me

And now

We're never been apart

The day has come I'm feeling that your sun Shines away from me Holding my hands you smile again I couldn't see you away from me I do realize it now Living in me You are living in me You are living in me I feel you by my side Your living soul wants to run away with me Inside of me Will something happen to me ? How did I lose my guide ? You left me all alone But now it is to late I know it is natural but now What can I do without your presence here ? A never-ending pain Living in me You are living in me I feel you by my side Your living soul wants to run away with me Inside of me I feel you by my side And I'm sure that I can't forget you You are inside of me You are inside of me
