

# Losing My Religion

Lacuna Coil

Oh life, it's bigger  
It's bigger than you  
And you are not me  
The lengths that I will go to  
The distance in your eyes  
(The distance in your eyes)  
Oh no, I've said too much  
I set it up  
(I've set it up)

That's me in the corner  
That's me in the spotlight  
I'm losing my religion  
Trying to keep up with you  
And I don't know if I can do it  
Oh no, I've said too much  
I haven't said enough

I thought that I heard you laughing  
I thought that I heard you sing  
I think I thought I saw you try

Every whisper  
Of every waking hour  
I'm choosing my confessions  
Trying to keep an eye on you  
Like a hurt, lost and blinded fool  
Oh no I've said too much  
I set it up

I thought that I heard you laughing  
I thought that I heard you sing  
I think I thought I saw you try  
But that was just a dream  
Try, cry, why  
I think I thought I saw you try

Consider this  
Consider this, the hint of the century  
Consider this, the slip  
That brought me to my knees failed  
What if all these fantasies come  
Flailing around  
Now I've said, and now I've said too much

I thought that I heard you laughing  
I thought that I heard you sing  
I think I thought I saw you try  
But that was just a dream  
Try, cry, why  
That was just a dream, just a dream, just a dream
