

## Boundless Skies

Lacy J. Dalton

Deep in my heart there's a place I can go  
Where I'm one with the wind, blowing down off the snow  
Far beyond thought, down where the mighty rivers flow  
One with the Earth, one with the stars, I'm home

Under these boundless skies  
In the canyons and halls of eternity  
Where the eagle flies over fields of stone  
When I'm here, I'm home

Deep in my heart when my soul is alone  
It can break free of the flesh and the bone

In these boundless skies  
In the limitless light of the mystery  
I am one with all in the great unknown  
When I'm here, I'm home

Here in this place beyond time and space  
Beyond thought, beyond limitation  
All that I've been, and all that I'll be  
Lives in the light of creation

In these Boundless Skies  
In the canyons and halls of eternity  
Where the eagle flies over fields of stone  
When I'm here, I'm home

Deep in my heart there's a place I can go  
Where I'm one with the wind, blowing down off the snow  
Far beyond thought, down where the mighty rivers flow  
One with the Earth, one with the stars, I'm home

Under these boundless skies  
In the limitless light of the mystery  
I am one with all in the great unknown  
When I'm here, I'm home

Here in this place  
Beyond time and space
