Chains On The Wind

Lacy J. Dalton

Rainy night, runway lights
A jet plane ready to go
A sad goodbye, something dies, oh
Down deep in my soul

Just when I find paradise
It starts to fade then slips away again
Lately love is just like tryin'
To put chains on the wind

How it blows, I can feel the cold
As it wraps around my heart
Funny thing, how dyin' dreams, oh
Are always hidin' in the dark

Look at me, I can't believe
I'm all alone and on my own again
Lately love is just like tryin'
To put chains on the wind
Chains on the wind

In the dead of night I reach out
Just to find nobody there
There's a quiet desperation
In the stillness of the air

Sometimes you lose, sometimes you win
That's just the way it is
Lately love is just like tryin'
To put chains on the wind

Lately love is just like tryin'
To put chains on the wind

Chains on the wind
Oh, chains on the wind
Chains on the wind
Chains on the wind
Oh, chains on the wind
Chains on the wind
Chains on the wind
