Lacy J. Dalton

Where do you go with a brand new foal?
Ground froze solid 'neath the blowing snow
Sanctuary

Fought off the coyotes and fooled a lion
Got Blackhawk Creek in the back of her mind
Sanctuary, sanctuary

There's a southside pocket where the rimrock's ending
Cheat grass, water, and a sun descending
If her colt's gonna make it his life's depending
On sanctuary

Nah-nah, nah-nah, nah-nah-nah-nah-nah
Nah-nah, nah-nah, nah-nah-nah, nah-nah-nah
Nah-nah-nah-nah-nah
Nah-nah-nah, nah-nah, nah-nah-nah-nah-nah
Nah-nah-nah, nah-nah-nah-nah, nah-nah

Morning breaks pretty on a canyon floor
The place that she's been looking for
She tests the wind until she's sure
It's sanctuary

There's a southside pocket where the rimrock's ending
Cheat grass, water, and a sun descending
Lord, won't you give 'em some time to spend in
Sanctuary

Nah-nah, nah-nah, nah-nah-nah-nah-nah
Nah-nah, nah-nah, nah-nah-nah, nah-nah-nah
Nah-nah-nah-nah-nah
Nah-nah-nah, nah-nah, nah-nah-nah-nah-nah
Nah-nah-nah, nah-nah-nah-nah, nah-nah

Where do you go with a brand new foal?
