

Where Did We Go Right?

Lacy J. Dalton

And I work
Putting everybody's phone in the box
One by one, heart by heart
You and I stay together and we never even talk
Side by side

And I won't end up sad now

Our love keeps spinning round
And the only thing we question
As the rest long for their lives
Where did we go right?

Anytime
When everybody's searching for truth
Is love real? We're backing troops
What we had is what everybody's trying to find
Peace of mind

And the world turned upside down

Our love keeps spinning round
And the only thing we question (Ooh, ooh)
As the rest long for their lives (Ooh, ooh)
Where did we go right?

So many roads, so many lovers
But I wish they all could know (Ooh-ooh-ooh)
What we found in one another (Ooh-ooh-ooh)

The world turned upside down

Our love keeps spinning round
And the only thing we question (Ooh, ooh)
As the rest long for their lives (Ooh, ooh)
Where did we go right?

Where did we go right?
Where did we go right?
Where did we go right?
(Ooh)
