

Working Class Man

Lacy J. Dalton

Workin' hard to make a living
Bringin' shelter from the rain
Father, son love to carry on
Blue denim in his veins

Whoa, he's a working class man

Well, he's a Steel Town disciple
He's a legend of his time
He's runnin' like a cyclone
Across wild, blue western sky

Whoa, he's a working class man

He's believes in God and Elvis
Gets up when he can
Did his time in Vietnam
Still mad at Uncle Sam

He's a simple man with a heart of gold
In a complicated land

Oh, he's a working class man

Well, he loves the little woman
Someday he'll make his wife
Savin' all the overtime for the one love of his life

He ain't worried about tomorrow
'Cause he just made up his mind
Life's too short for burnin' bridges
He'll take it one day at a time

Oh, he's a working class man
Oh, he's a working class man (Working class)
Oh, yeah (Working class)
Yes, he is (Working class)
(Working class man)
He's a working class man (Working class)
Oh, yeah (Working class man)
Don't you know, don't you know, don't you know (Working class)
He's a working class man? (Working class man)
Oh, oh (Working class)
Oh, yeah (Working class man)
Yes, he is (Working class)
(Working class man)
He's a working class man (Working class)
Oh, yeah (Working class man)
Yes, he is (Working class)
(Working class man)
