

# Can't Forget

LADIPOE

What's a passport with no visa  
Blackboard with no teacher  
Bank account with no money in it  
Or Gucci wallet, none either  
Where there's no one to turn to  
I turn it up in my sneakers  
Pray that one day they go feel me  
In ojuelegba and shitta  
Shouting chairman, chairman  
Remember when we first saw you here  
Now you hopping out that jeep door  
Make you no forget shogunle  
You used to come collect postinor  
We are not joking oo, we are loyal here  
Can't forget where I came from...

(I turn it up in my sneakers)  
(I turn it up in my speakers)  
Wa ne wa ne wa ne  
Can't forget where I came from  
Eyin naa ma debe  
Wa ne wa ne wa ne  
Can't forget, can't forget...  
(I turn it up in my sneakers)  
(I turn it up in my speakers)  
Wa ne wa ne wa ne  
Can't forget, can't forget...

I heard you want to come know me  
Don't fuck with all of my homies  
A wiser man he once told me  
The top is always so lonely  
But cant you tell there's no  
Only cheese and big un is here  
Work hard off enough to turn it up a notch  
It don't matter much what I turn this year  
I can tell they are concerned this year  
Put the game and in an urn this year  
Fuck with us or just stay there  
Eyin naa e ma debe  
Debe debe...

Can't forget where I came from...  
(I turn it up in my sneakers)  
(I turn it up in my speakers)  
Wa ne wa ne wa ne  
Can't forget where I came from...  
Eyin naa ma debe  
Wa ne wa ne wa ne  
Can't forget, can't forget...  
(I turn it up in my sneakers)  
(I turn it up in my speakers)  
Wa ne wa ne wa ne  
Can't forget, can't forget...

What's a new wave with no leader  
A new age with no Ceaser

I come first that I'm this close  
I only need a few metres  
I'm god blessed with a good flow  
You only need a few metres  
So that one day you go feel me in ojuelegba and shitta  
Shouting chairman, chairman  
Eyin naa ma debe  
Eyin naa e ma debe  
Can't forget where I came from...  
Debe debe  
Eyin naa e ma debe  
Can't forget where I came from...  
Can't forget where I came from...  
Eyin naa e ma debe
