

Feeling

LADIPOE

I like the way I'm feeling now
No come use your reggae, spoil my blues and rhythm now
Oh, oh, oh, oh
I like the way I'm feeling now
Omo e get small thing wey dey stress me, but right now I'm chilling now
Oh, oh, oh, oh

Way out my feelings and nothing can stress me
The way I run the game, I'm feeling like referee
No, like Moses parting the Red Sea
Like a chauffeur, me in the back of the Bentley

So I step out
All white, can't stain
What you want? Rosé? Champagne?
I got that, big bag, back pain
Taking the piss, the only time I can't aim

So we toast to the good life
Living every minute to the full 'cause I could die
Pull up at the spot, open doors and it's suicide
Chilling rent free
Where the check, please?
Couple hundred Gs on a good night
But you knew that

I like the way I'm feeling now
No come use your reggae, spoil my blues and rhythm now
Oh, oh, oh, oh
I like the way I'm feeling now
Omo e get small thing wey dey stress me, but right now, I'm chilling now
Oh, oh, oh, oh

I like the way I'm feeling now
No come use your reggae, spoil my blues and rhythm now
No, no, oh, oh
I like the way I'm feeling now
Omo e get small thing wey dey stress me, but right now, I'm chilling now
Oh, oh, oh, oh

All I wanna do is Jaiye
220 on the highway
I'm about the energy
Baby, if it's good, send it my way
If it's bad, keep it private
All these haters so vexed, I'm the best alive
You don't want test the guy
You be sleeping on yourselves you Tse Tse fly
Throw myself a party then act surprised
Be the highest in the room when the guest arrive
Yeah

Ain't nobody realer
Touch down, got a couple Gs for the dealer
Gang signs out the window, my killah
Life getting sweeter
No use water, dilute my Ribena

So, we toast to the good life
Every minute to the full 'cause we could die
Pull up open doors and it's suicide
Yeah
Sixteen bad woop and they all by the poolside

I like the way I'm feeling now
No come use your reggae, spoil my blues and rhythm now
Oh, oh, oh, oh
I like the way I'm feeling now
Omo e get small thing wey dey stress me, but right now, I'm chilling now
Oh, oh, oh, oh

I like the way I'm feeling now
No come use your reggae, spoil my blues and rhythm now
No, no, oh, oh
I like the way I'm feeling now
Omo e get small thing wey dey stress me, but right now, I'm chilling now
Oh, oh, oh, oh

With Dem boys, enough toys, wey dey make noise, enough choice
You gots fear, when you see boys, wey dey roll up in the nice toys

De, de, de boys, wey dey make noise, they gats fear, when they see boys
We roll up, in the nice toys, with dem boys

I like the way I'm feeling now
No come use your reggae, spoil my blues and rhythm now
Oh, oh, oh, oh
I like the way I'm feeling now
Omo e get small thing wey dey stress me, but right now, I'm chilling now
Oh, oh, oh, oh
