

You Can Do You

Lady A

Suits and boots and backs will rest
Start filling up the room
Friday night, fresh paychecks
All looking for something to do

Old school Diamond Rio
Ringing out from the band
Regulars and out-of-towners
All given, that's my jam

You can go hard or take it slow
Whatever floats your boat, so

Go ahead and dance if you want to
Order up another round
We all got something that we're going through
We ain't gotta worry 'bout now
Whoa, and it don't matter where you come from
Which side of the county line
We're all here searching for a good time

You can do you
I'ma do me
We all came here for the same thing
We're all living in the land of the free
So you can do you
And I'ma do me
(Yeah)

Life of the party or a wild flower
As long as you're having fun
Straight on the rocks or a whiskey sour
Or anything under the sun

Different strokes for different folks
We can all agree
No matter where you've been, every now and then
We could all use a drink

So go ahead and dance if you want to
Order up another round
We all got something that we're going through
We ain't gotta worry 'bout now
Whoa, and it don't matter where you come from
Which side of the county line
We're all here searching for a good time

So you can do you
I'ma do me
We all came here for the same thing
We're all living in the land of the free
So you can do you
And I'ma do me
(Go!)

It it makes happy
If it makes you smile

Let's get a little wild

You can do you

And I'ma do me

We all came here for the same thing

We ain't always gotta agree

'Cause we're all living in the land of the free

You can lead left

You can lead right

You can go home

Stay all night

You can go up

You can go down

Find someone and spin them around, and around, and around

Around, and around, and around, and around baby

(Or can do you)

(And I'ma do me, yeah)

(You can do you)

(I'ma do me)

(Have a big ball)
