Lady Gaga

My name isn't Alice  
But I'll keep looking, I'll keep looking for Wonderland  
My name isn't Alice  
But I'll keep looking, I'll keep looking for Wonderland, Wonderland  
Ah, ah, ah, ah  
Ah, ah, ah, ah (Ah)  
Set me free (Ah-ah-ah)  
Ah, ah, ah, ah  
Ah, ah, ah, ah (Ah)  
Set me free (Ah-ah-ah)

Could you pull me out of this alive? (Ah, ah, ah, ah, ah, ah, ah)  
Where's my body? I'm stuck in my mind (Ah, ah, ah, ah, ah, ah, ah)

(Oh ma-ma-ma, oh ma-ma-ma)  
I'm tired of screaming  
(Oh-ma-ma-ma, oh-ma-ma-ma)  
At the top of my lungs  
(Oh m-mother, oh m-mother)  
I'm in the hole, I'm falling down, down  
So down, down

My name isn't Alice  
But I'll keep looking, I'll keep looking for Wonderland  
My name isn't Alice  
But I'll keep looking, I'll keep looking for Wonderland, Wonderland

Take me home  
Take me to Wonderland, Wonderland  
Take me home  
Take me to Wonderland, Wonderland

Sick and tired of waking up  
Screaming at the top of my lungs  
Think I might just've left myself behind  
Maestro, play me your symphony  
I will listen to anything  
Take me on a trip, DJ, free my mind

My name isn't Alice  
But I'll keep looking, I'll keep looking for Wonderland  
My name isn't Alice  
But I'll keep looking, I'll keep looking for Wonderland, Wonderland

Take me home  
Take me to Wonderland, Wonderland  
Take me home  
Take me to Wonderland, Wonderland  
Take me home  
Take me to Wonderland, Wonderland  
Take me home  
Take me to Wonderland, Wonderland

Ah, ah, ah, ah  
Ah, ah, ah, ah (Ah)  
Set me free (Ah-ah-ah)  
Ah, ah, ah, ah

Ah, ah, ah, ah (Ah)  
Set me free (Ah-ah-ah)
